President's Report: We will schedule an officer's meeting to discuss and make recommendations on bylaws.

Hospitality: Teacher breakfast December 18 in the Media Center at 8:00 A.M. Publix will donate all pastries and Starbucks will be donating coffee and creamers.

Treasurer Report: Tax returns are in! A \$50.00 gift card to be given to Mr. Peaden, as he donated his time and does our taxes at no cost.

Vice President Report: We had approximately 20-30 participants attend the Anxiety and Stress Presentation. LeAnn Knapp and Ashley Turner did a terrific job presenting! The presentation will be added to the GBHS website.

Grants: The extended deadline for teacher grants was well received. \$8300.00 is left remaining for grants.

Tori Baker: There are students (16) who need to take the ACT/SAT not for college purposes. These students are,

at risk, struggling, Level 1 readers. GBHS is unable to help pay for these students to take these tests unless the PTSO could grant funds to the English Department for these students. These students have been working and have the desire to graduate from GBHS. This financial help would benefit not only these students, but also the graduation rate of GBHS (which also helps with the rating of our school). These

students have been preparing to the best of their abilities to take this test. Could the PTSO help? Cost is \$49.00 per student (16 students).

Diane Folsie motions to help fund this grant, Seconded by Mary Beth Hall. All in favor, motion is passed.

Mr. Brothers: GBHS raised \$1000.00 to help Mosley and Port St. Joe High School storm recovery. The Student Government is planning a program and has a motivational speaker coming on Jan. 7, 2019. They would also like to have fun team building activities and snacks outside on this half-day of school. Could the PTSO donate to support this program? Motion passed.

Maddie Lunday: Jan.19 there will be a dance marathon to benefit Children's Miracle Network. \$20.00 entry.
