## HOW TO GET STARTED

### NEW TO SAFESTOP?

*Just follow these easy instructions to get the app.*

- Search "SafeStop" on your Apple or Android device to download the free app. You can also access SafeStop on the web at [www.SafeStopApp.com](http://www.SafeStopApp.com).
- Select "Create Account", enter your information, and search for your school or district using your ZIP/Postal Code.
- Locate and select **Santa Rosa County District Schools** from the list provided.
- Enter in at least one valid Student ID to complete your secure registration.
- Do not know your Student ID? Contact your school administration to receive that information.

### RETURNING USER?

*Welcome back! Now, let's get your account back online.*

Log in to your SafeStop account then click "Reactivate Your Account." From there, just enter your postal code, select **Santa Rosa County District Schools**, and re-enter your Student IDs to successfully renew your account for the year.

### SETTING UP YOUR ACCOUNT

- Once you log in to your account, select "Add A Bus Stop" and search using your home address. A list of routes with nearby bus stops will appear. Select the desired route and bus stop for your child's morning and afternoon bus stop.
- If you have multiple children, repeat this process for each of their bus stops. Tap the check mark in the top-right corner to return to your Account home screen.
- **NOTE: SafeStop relies on information provided by the transportation department. Use the Report An App Issue feature to report inaccurate route information.**

### USING YOUR ACCOUNT

- Each bus stop features a Bus Locator button and a Scheduled Arrival Time. In most cases, an Estimated Time of Arrival will appear once we confirm the route is being performed as planned on a regular basis.
- The Alerts & Messaging Center is located in the top right corner of the app, which contains messages and updates from your transportation department.
